

8-port PoE switch manufacturer

AI Overview

Several manufacturers produce 8-port PoE switches, including Benchu Group, NVT Phybridge, Teltonika Networks, Axis Communications, and Moxa. Key Manufacturers and Products:

- Benchu Group:** Specializes in 8-port industrial PoE switches with OEM/ODM/SKD/CKD support, offering flexible manufacturing options and low minimum order quantities, suitable for industrial deployments.
- NVT Phybridge:** Offers the FLEX8 unmanaged 8-port PoE switch, designed for IP and IoT devices with extended reach up to 2,000 ft (610 m). It is North American-made, TAA and NDAA compliant, and ideal for modernizing existing LAN infrastructure without replacing cabling.
- Teltonika Networks:** Produces the TSW200 PoE+ switch, featuring 8 Gigabit Ethernet ports supporting IEEE 802.3af/at standards and 2 SFP ports for fiber connectivity. Each port delivers up to 30 W, suitable for centralized power deployment in industrial networks.
- Axis Communications:** Offers the D8208-R industrial PoE++ switch, an 8-port managed switch with two SFP+ uplinks, capable of delivering up to 90 W per port (IEEE 802.3bt). It is ruggedized for extreme environments, supporting temperatures from -40 °C to 60 °C, and includes advanced management features for surveillance and industrial applications.
- Moxa:** Provides a wide range of PoE, PoE+, and PoE++ switches with industrial-grade designs, surge protection, and smart PoE management features. Their 8-port models support high-speed data transmission and powering high-power devices over long distances.

Considerations When Choosing a Manufacturer:

- PoE Standard:** Ensure compatibility with your devices (802.3af, at, or bt).
- Power Budget:** Check per-port and total power output to support connected devices.
- Management:** Decide between managed or unmanaged switches depending on network control needs.
- Environmental Durability:** For industrial or outdoor use, consider temperature range, shock, and vibration resistance.
- Connectivity Options:** SFP or SFP+ ports may be needed for fiber uplinks...

8/10/16/24/48-port GbE Smart Managed Switch

The Zyxel GS1900 is Smart Managed Switch with Gigabit speed and essential managing functions that brings flexibility and connectivity to your

Switch Flex Mini

A compact, 5-port, Layer 2 switch that can be powered with PoE or a 5V USB-C adapter.

PoE Switches

We provide a wide range of PoE/PoE+/PoE++ switches with up to 90 W output per port to deliver high-speed data transmission while powering high-power devices

8 Port Industrial PoE Switch Manufacturer, OEM/ODM/SKD/CKD is

BENCHU GROUP has passed ISO9001 & ISO14001 certified, delivers reliable, high-quality communication solutions with low failure rates. Provides expert after-sales support, including efficient

BV Security

Security Solutions for Everyone! BV Security offers a wide selection of PoE Switches, PoE Injectors, Hard Drives, Security Cameras and professional installation services.

PoE Switches & Devices Manufacturer in India | Make in India

Introducing our SS-N08EP-G2, an advanced 8+2 Ports PoE+ Switch designed to enhance your network infrastructure. With 8 dedicated 10/100 Ports supporting Power over Ethernet (PoE) at both AF

Industrial GbE PoE Switch | Industrial & Telecom

CTC Union offers a full spectrum of products, including Industrial GbE PoE Switch, Industrial Ethernet, PoE, EN50155 and E-Mark certified switches. CTC Union's

UniFi Switching

Switching evolved. High-performance switches designed to scale and optimize performance of any network with a magical management experience.

Hi-Lite Essentials Power Adapter 54V-2 Amp Power

Hi-Lite Essentials Power Adapter 54V-2 Amp Power Supply for 8 Port gigabit Poe Switch (All Brand)- Power Cable Included (3 Month Warranty),laptops,Black :

8 Port Switch | Unmanaged PoE Switches | 8 Port PoE Switches

Our award-winning CHARIoT series of long reach PoE switches and extenders help organizations deploy the latest IP and IoT technologies, over any new or existing network infrastructure, without

TSW040 8-port PoE+ Switch

This compact and rugged 8-port switch also features a 2-pin power input and an integrated DIN rail for easy mounting, making it ideal for industrial applications.

TERABYTE 8 Port POE Switch at ₹ 950/piece

Terabyte Enterprises India Private Limited - Offering TERABYTE 8 Port POE Switch,PoE Ethernet Switch in New Delhi, Delhi. Also get POE Switch price list from verified companies | ID: 22384885797

UniFi Pro Max 24 PoE

A 24-port, Layer 3 Etherlighting™ switch capable of high-power PoE++ output.

AXIS D8208-R Industrial PoE++ Switch

This 8-port managed industrial PoE++ Gigabit switch includes two SFP+ data ports allowing you to connect extra devices depending on your needs.

UniFi PoE Switch Datasheet

PoE+ Flexibility The UniFi Switch models are available with 8, 16, 24, or 48 PoE Gigabit Ethernet ports of auto-sensing IEEE 802.3af/at or configurable 24V passive PoE to simplify your infrastructure. By

Cisco Catalyst 9200 Series Switches Data Sheet

This data sheet describes the benefits, specifications, and ordering information for the Cisco Catalyst 9200 Series Switches.

HPE Aruba Networking CX 6300M 48p HPE Smart Rate

Options include 24 to 48-port of HPE Smart Rate multi-gigabit (1/2.5/5/10GbE) and 1GbE fiber, supporting up to 90W 802.11bt PoE, all with telemetry and

MikroTik · CRS328-24P-4S+RM

CRS328-24P-4S+RM is a 28 independent port switch, it has 24 Gigabit Ethernet ports, which offer different power output options: Passive PoE, low voltage PoE,

PoE Switch Manufacturers, Industrial Switch

As a premier PoE Switch Manufacturers & Industrial Switch OEM/ODM Factory! Our cutting-edge technology and expert craftsmanship set the standard in the industry.

Ubiquiti Store United States

A compact, 5-port, Layer 2 switch that can be powered with PoE or a 5V USB-C adapter.

8-Port Gigabit Desktop Switch with 8-Port PoE+

Switch Lite 8 PoE

An 8-port, Layer 2 PoE switch supporting silent fanless cooling.
