

Australian manufacturer of 6-core optical fiber cables for smart buildings

Overview

Since 2002, OSA has proudly served as Australia's leading designer and distributor of advanced optical network solutions. As part of the global Hexatronic Group, we leverage international partnerships and the backing of a world-class fibre optic company to deliver unparalleled. Fibre Optic Systems (FOS) is a well-established manufacturer, distributor, innovator, and cutting-edge solutions provider in the fibre optic industry. We are known for our responsive service, technical expertise, and commitment to delivering tailored solutions that meet your project goals. Our Prysmian manufactures a full range of single mode, multi-mode and specialty optical fibres, that have been specifically designed, developed, manufactured and tested to meet even the most challenging of demands. Welcome to. In order to join two fibres together, you will need some pretty special tools. Let's have a look at both these options in more detail.
