

Bahrain power distribution box manufacturer direct sales

AI Overview

Amad Baeed Electrical W.L.L and Bright Star Electrical & Mechanical W.L.L are leading manufacturers and suppliers of power distribution solutions in Bahrain. Amad Baeed Electrical W.L.L offers a wide range of power distribution solutions, including distribution transformers, package substations, medium voltage switchgear, and ready-to-install panels engineered to global standards for safety and reliability. They operate Ascon Control W.L.L, a licensed electric panel factory in Bahrain, authorized to manufacture panels for Siemens, Indo Asian (Legrand), and Dorman Smith. Their services cover design, supply, installation, and maintenance for high- and low-voltage systems, supporting major projects like The Avenues Mall Bahrain and King Abdullah Medical City. Bright Star Electrical & Mechanical W.L.L specializes in transformers of various types, including mineral oil, silicone liquid, and cast resin dry-type transformers up to 33kV. They provide ground-mounted and pole-mounted transformers with customizable designs to meet specific project requirements. Their cast resin dry-type transformers are eco-friendly, flame-retardant, and low-maintenance, making them suitable for indoor or sensitive locations. Bright Star is recognized as one of the largest single-point entities in Bahrain for industrial electrical products, sourcing directly from manufacturers.

Product and Service Highlights

Transformers: Mineral oil, silicone liquid, and cast resin types with ratings from 100 kVA to 3000 kVA.

Switchgear and Panels: Medium voltage switchgear, distribution panels, and ready-to-install solutions.

Authorized Partnerships: Amad Baeed collaborates with global brands like Siemens, Schneider, Eaton, and Legrand, ensuring compliance with international standards.

Installation and Maintenance: Both companies provide comprehensive services, including proje...
