

Belgian professional manufacturer of cable trays

AI Overview

Top Belgian cable tray manufacturers include Trayco, Vergokan, and Brilltech Engineers, offering high-quality, compliant, and customizable cable management solutions. Trayco is a 100% Belgian manufacturer specializing in cable trays, mesh trays, cable ladders, and mounting systems. Founded in 2012, the company provides customized solutions and expert guidance during installation, making it suitable for both industrial and commercial projects. Trayco emphasizes optimization, consultation, and tailored designs, ensuring compliance with local and European standards while supporting efficient cable management. Vergokan, established in 1982, is an independent Belgian company producing standard and custom cable support systems for electrical installations. They offer a wide range of cable trays and related accessories, catering to both small and large-scale projects. Vergokan is known for durable products and flexible solutions that meet specific project requirements. Brilltech Engineers is a well-known cable tray manufacturer and supplier in Belgium, offering trays made from galvanized steel, stainless steel, and fiberglass. Their products include perforated, ladder, and mesh trays, designed for enhanced airflow, safety, and cable protection. Brilltech also provides installation support, system design consultation, and compliance with industry standards, making them a reliable choice for complex electrical systems. Additional Considerations: Material Options: Galvanized steel, stainless steel, and fiberglass for corrosion resistance and durability. Customization: Many Belgian manufacturers offer tailor-made solutions to fit specific project dimensions and load requirements. Compliance: Ensure the manufacturer adheres to EN 61537, ISO 9001, and IEC standards for safety and quality. Support Services: Look for companies providing...
