

Cable tray manufacturers in Congo

AI Overview

Brilltech Engineers and Cable House are leading cable tray manufacturers and suppliers in Congo, offering high-quality trays in various materials and sizes. Key Manufacturers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent cable tray manufacturer and exporter serving Congo. They offer a wide range of cable trays made from galvanized steel, stainless steel, and fiberglass, designed to protect cables from physical damage, dust, and environmental hazards while improving airflow and cooling. Their products include perforated and hot-dip galvanized trays, suitable for electrical, automotive, and construction industries. Brilltech provides customized solutions, installation support, and system design assistance, ensuring compliance with industry standards.
2. Cable House Cable House, established in 1983, is another recognized manufacturer and supplier of cable trays in Congo. They produce durable and reliable trays using graded raw materials and advanced manufacturing technologies. Their offerings include a comprehensive range of cable management products, including hose clamps, cable ties, and crimping tools, alongside cable trays. Cable House emphasizes long operating life, high durability, and global supply capabilities, making them suitable for both local and international projects.
