AITAF provides end-to-end optical communication solutions, structured cabling, ODN, optical modules, fiber testing instruments, data center networks, base station energy, smart city communications. Generate customs declaration forms – Quick & free Tired of dealing with complicated customs. It provides detailed information on EU import procedures, including topics such as registering as an economic operator and the Economic Operators Registration and Identification (EORI) number, the various documents you need to complete and links to sector and country specific requirements. For more. A customs declaration is an official document that gives details of goods that are being imported or exported into or out of EU customs territory. It is the legal act whereby an operator indicates their intention to place those goods under an EU customs procedure, as described in the Union customs. The customs tariff applicable within the Community is strictly based on Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff, which introduced the combined nomenclature (Kombinierte Nomenklatur - KN) as a generally binding. Therefore, to frank your shipments, we recommend using DHL Online Franking, which guides you conveniently and easily through all the necessary information and can even save you money compared with in-branch prices. Check whether you also need to complete an export declaration.
