

Ethiopia Mesh Cable Tray Manufacturer Price Quote

AI Overview

Mesh cable trays in Ethiopia are available from ETB 50 and up, depending on size, material, and customization options. Overview of Suppliers and Pricing In Ethiopia, mesh cable trays are supplied by several manufacturers and distributors, including Jeetmull Jaichandlall (P) Ltd., NAHMA Precision Metal Products, and other local suppliers. Prices for basic metal mesh trays start from ETB 50, with higher-end or customized trays costing more depending on specifications. Online marketplaces like Jiji.com.et also list various wire mesh products, which can serve as a reference for pricing and availability.

Product Features

- Material:** Typically made from sturdy metal wires, welded or woven for durability.
- Sizes and Shapes:** Available in multiple sizes and configurations to suit industrial, commercial, and construction applications.
- Applications:** Used for electrical cable management, ventilation, filtration, and safety enclosures.
- Customization:** Many suppliers offer tailored solutions, including specific lengths, widths, and coatings to meet project requirements.

How to Procure

- Direct Manufacturer Contact:** Reach out to manufacturers like Jeetmull Jaichandlall or NAHMA Precision Metal Products for quotes and bulk orders.
- Online Marketplaces:** Platforms like Jiji.com.et provide listings of mesh products with verified sellers, allowing comparison of prices and quality.
- Local Distributors:** Visiting industrial supply stores in Addis Ababa or other major cities can provide immediate access to stock and pricing.

Tips for Price Optimization

- Compare multiple suppliers to ensure competitive pricing.
- Specify exact dimensions and load requirements to avoid overpaying for unnecessary features.
- Consider bulk orders for discounts, especially for large construction or industrial projects.

By contacting suppliers directly and reviewing online listings, you can obtain accurate, up-to-date pricing for mesh cable...
