

High-quality long-span cable tray brands

AI Overview

Top brands for high-quality, long-span cable trays include Atkore, BAKS, MP Husky, Chalfant Manufacturing, and Icotek, all known for durability, certifications, and global availability. Leading Manufacturers and Brands Atkore International is a global leader in cable management systems, offering a wide range of cable trays including stainless steel, galvanized, and custom solutions suitable for long-span installations, with extended warranties and strong international distribution. BAKS specializes in professional cable route systems with over 40 years of experience. Their long-span cable trays are designed for complex installations, fire-rated systems (E-30, E-90), and high manufacturing precision using CNC-controlled processes. They also provide online tools for load simulation and project planning. MP Husky is a founding member of the USA Cable Tray Institute and offers aluminum, galvanized steel, stainless steel, fiberglass, PVC-coated, and wire mesh trays. Their products meet or exceed NEMA, UL, CTI, and CSA standards, making them highly reliable for industrial and commercial projects. Chalfant Manufacturing provides innovative long-span solutions like self-connecting GR_Magic and walkable BKRS trays, emphasizing tailored solutions and compliance with industry standards. Icotek (Germany) is known for smart cable management systems and EMC solutions, offering high-quality long-span trays with global distribution and strong engineering support. Additional Notable Brands Tsubaki Kabelschlepp – Global leader in cable carriers and protection systems, offering durable long-span solutions. Sunil Engineering Corporation – Offers perforated, ladder, and custom cable trays with high-quality fabrication. ELCON CABLE TRAYS PVT. LTD. – Specializes in wire mesh, ladder, and perforated trays with accessories for easy installation. Snake Tray – Provides aluminum and steel cable trays suitable for long-span applications. Key Considerations When selecting a long-span cable tray brand, consider: Material and corrosion resistance (stainless steel, fi...
