

How long is the Singapore module

Overview

Approximately 200 hours of learning time is recommended to complete the Singapore module, though this may vary dependent on a number of factors including your background, knowledge and experience, and your study method. There are study options to suit everyone, from classroom learning to. The Singapore Jurisdictional Module was created to allow market participants to comply with regulation 33 of the Financial Services and Markets (Resolution of Financial Institutions) Regulations 2024 (Singapore Regulation) issued under section 135 read with section 219 (zc) of the Financial. A1: The SG Arrival Card is the electronic version of the paper disembarkation/embarkation (DE) card (or commonly known as the white card) that foreign visitors are required to submit upon arrival in Singapore for immigration clearance. From 27 March 2020, ICA will discontinue the use of paper DE. eption of the PP Taxation module. For the PP Taxation module, exemption is dependent on the relevant Taxation modules taken by the Candidates from the Direct Entry degree and the academic year o completion of the modules taken.
