

How much does an outdoor electrical distribution box cost in Grenada

AI Overview

Residential outdoor electrical distribution boxes in Grenada typically range from USD 15 to USD 150, depending on size, material, and features. Overview of Pricing For small to medium-sized plastic or ABS waterproof junction boxes, prices start around USD 15–30 per unit for basic models suitable for low-voltage residential wiring projects, such as the IP65-rated boxes measuring approximately 65x58x35mm. These are ideal for protecting electrical connections from rain, dust, and corrosion in outdoor environments. Larger or more robust metal or heavy-duty enclosures designed for full residential distribution panels, including circuit breakers and multiple wiring connections, can range from USD 80 to USD 150 or more, depending on brand, material, and additional features like lockable doors, corrosion resistance, and compliance with international safety standards. Local Suppliers in Grenada Southern Electrical Co Ltd: The largest electrical supplier in Grenada, offering a wide range of residential and commercial electrical products, including distribution panels, junction boxes, and wiring accessories. They carry major brands and provide guidance for selecting the right enclosure for your project. M & N Hardware Ltd and Paddy's Enterprises & Hardware Ltd: Offer hardware and electrical supplies, including outdoor enclosures suitable for residential installations. Factors Affecting Price Material: Plastic/ABS boxes are cheaper, while metal or stainless steel enclosures are more expensive. Size and Capacity: Larger boxes that accommodate multiple circuits or breakers cost more. Weatherproofing: IP-rated waterproof and dustproof boxes command higher prices. Brand and Certification: Internationally recognized brands with safety certifications may increase cost. Summary For residential outdoor electrical distribution boxes in Grenada, expect to pay between USD 15 for small waterproof j...
