

List of Egyptian Mesh Cable Tray Suppliers

AI Overview

Pioneer, MT Tray, and Metal Store (MS Steel) are among the top Egyptian companies producing high-quality mesh cable trays. Pioneer Cable Trays Pioneer is recognized for its innovative wire mesh cable trays, designed for industrial plants, commercial buildings, and data centers. Their trays are made from high-quality steel wire, offering strength, durability, and resistance to harsh conditions. They provide flexibility for horizontal, vertical, or overhead cable routing, excellent ventilation, and easy cable entry and exit, making them ideal for sensitive or high-density cable installations. Pioneer also offers accessories for faster installation and supports both internal and external applications. MT Tray MT Tray specializes in metal cable trays, ladders, and trunks, including perforated and mesh designs. Their products are lightweight yet strong, capable of supporting heavy loads, and designed for easy cable management and modification over a project's lifetime. MT Tray emphasizes high-quality fabrication and reliability, making them suitable for large-scale electrical and industrial projects in Egypt. Metal Store (MS Steel) MS Steel manufactures mesh cable trays with precision using CAD/CAM and CNC machinery, ensuring durability and consistency. They provide hot-dip galvanization and electrostatic painting, which enhances corrosion resistance and longevity. Their trays are suitable for high-heat or low-heat cable applications, indoor and outdoor use, and come with complete mounting and installation accessories. Additional Considerations Other notable Egyptian manufacturers include El Masrya El Almany, Rovana Trade Factory, and Delta Steel, which offer a range of cable trays, including mesh types, with customization options, high-quality materials, and compliance with engineering standards. When choosing a supplier, consider load capacity, material finish, ventil...
