

Malta Cable Management Rack Manufacturer

AI Overview

Malta has several suppliers and manufacturers offering cable management racks, network cabinets, and related IT infrastructure solutions, including Conversa, Xpert.mt, Intertek Labs Malta, BigMat Malta, and RS Malta. Key Suppliers

Conversa is a leading Maltese supplier of networking products, offering a wide range of cabinets, racks, outdoor IP-rated enclosures, and all related accessories. They provide full network infrastructure solutions, including consultation, design, installation, termination, testing, and certification of copper and fiber cabling systems.

Xpert.mt specializes in network cabinets and professional IT infrastructure. They offer durable cabinets, power distribution units (PDUs), and cable management solutions suitable for server racks and network cabinets, ensuring secure and organized IT setups.

Intertek Labs Malta provides a large selection of network racks and data cabinets, from cable racks to full-size data cabinets. They partner with major suppliers like Conteg, Excel, CCS, and Siemon, offering a variety of racks and accessories for structured cabling and critical business applications.

BigMat Malta offers cable management products such as trunking, cable ties, and other accessories for organizing and protecting cables in offices, homes, and commercial buildings.

RS Malta supplies cable storage solutions, including cable racks, reel holders, and stands, helping maintain neat and safe cable arrangements for multiple reels of cable.

Considerations for Choosing a Supplier

Product Range: Ensure the supplier offers the specific type of rack or cabinet you need, including size, material, and IP rating.

Installation Services: Some suppliers, like Conversa, provide full installation and certification services.

Accessories: Check for availability of PDUs, cable trays, and other cable management accessories.

Local Support: Working with a Maltese supplier...
