

Middle East Fireproof Cable Tray Manufacturers

AI Overview

Top fireproof cable tray manufacturers in the Middle East include West Port Cable Tray, Al-Babtain Power & Telecommunication, Bonn Metal Construction Industries (BMCI), Unigroup, and Ruwais Steel, all offering high-quality, fire-resistant solutions. Leading Manufacturers

1. West Port Cable Tray (UAE) West Port is a leading manufacturer in the UAE, specializing in high-performance cable containment systems for sectors like oil & gas, data centers, marine, and construction. Their products comply with international standards such as IEC 61537, NEMA VE1, and BS EN 50085, ensuring fire resistance and durability. They operate a state-of-the-art facility with CNC machines and galvanized coating lines, providing customized solutions for challenging environments in the GCC region .
2. Al-Babtain Power & Telecommunication (UAE) Founded in 1960, Al-Babtain is a well-established manufacturer of cable trays and electrical transmission systems. They offer heavy-duty, fire-resistant cable trays suitable for industrial and energy sector installations. Their products are designed to withstand the Middle East's harsh climate, including high temperatures and coastal corrosion .
3. Bonn Metal Construction Industries LLC (BMCI, UAE) BMCI produces over 12,000 tons of cable management systems annually, including fire-resistant cable trays, ladders, and trunking. They serve industrial and commercial projects across the MENA region, ensuring compliance with rigorous quality standards. BMCI emphasizes precision engineering, durability, and timely delivery for large-scale infrastructure projects .
4. Unigroup (UAE) Unigroup manufactures high-performance cable trays, trunking, and channel systems with advanced corrosion and fire resistance. Their products include perforated, ladder, wire mesh, and GRP cable trays, engineered for both indoor and outdoor application...
