

# Myanmar Horizontal Cable Tray Company

## AI Overview

Several reputable manufacturers in Myanmar supply horizontal cable trays, including Cable House, Aung Zabu Tun Industrial Ltd., Brilltech Engineers, and MYD, offering customized solutions for industrial, commercial, and residential applications. Key Manufacturers

1. Cable House Established in 1983, Cable House is a recognized manufacturer and supplier of cable trays in Myanmar. They offer a wide range of products including horizontal cable trays, hose clamps, cable ties, and crimping tools. The company emphasizes customized solutions, high durability, and reliable performance, catering to both national and international clients. They provide support for installation and after-sales queries, ensuring client satisfaction.
2. Aung Zabu Tun Industrial Ltd. Founded in 1997 and upgraded to an industrial limited company in 2003, Aung Zabu Tun specializes in electrical fabrications including cable trays, cable ladders, cable trunking, and horizontal supports. They also manufacture panels, switchgear, and other customized electrical solutions. Their team of certified engineers ensures quality and compliance with industrial standards.
3. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a trusted supplier of electrical cable trays, ladder trays, PVC trays, mild steel trays, perforated trays, and stainless steel trays in Myanmar. They focus on customized solutions for residential, commercial, and industrial sectors. Their in-house manufacturing facility ensures quality control, timely delivery, and after-sales support.
4. MYD MYD provides a variety of cable trays, trunking, and ladder systems suitable for residential, commercial, and industrial use. They offer standard widths ranging from 50mm to 700mm and customizable designs. Accessories such as connectors, joints, and earth links are also available, making installation easier and more adaptable to changing requirements.

**Considerations for Selection** Material: Mild steel, stainless steel, PVC, or perforated options depending on environment and load requirements. Customization: Many manufacturers provide tai...
