

Myanmar Power Distribution Box Installation Manufacturer

AI Overview

Key manufacturers and suppliers of power distribution boxes in Myanmar include IEM Myanmar, Myanma Power Spectrum, Thida Chan Myay Electrical Trading, and Multi Power Engineering Co., Ltd. Leading Companies

1. IEM Myanmar IEM Myanmar is a major international trading and engineering company providing a wide range of electrical products, including power distribution systems. They offer design, installation, commissioning, and maintenance services for industrial and commercial projects, ensuring reliable solutions for power generation and distribution needs .
2. Myanma Power Spectrum Co., Ltd Founded in 2006, Myanma Power Spectrum supplies low-voltage, medium-voltage, and high-voltage electrical equipment, including distribution boxes. They provide engineering services, site surveys, and procurement support, and are capable of handling both commercial and industrial projects .
3. Thida Chan Myay Electrical Trading Co., Ltd This company specializes in engineering design, material supply, construction, testing, and commissioning of substations and distribution systems. They manufacture all types of MSB, EMSB, and DB for commercial, residential, and industrial applications, covering projects from 11kV up to 230kV .
4. Multi Power Engineering Co., Ltd. Multi Power Engineering produces electrical aids including distribution boxes using high-quality raw materials such as EGI sheets, epoxy powder, bus bars, cables, and insulators. Their products comply with Myanmar Electrical Inspection (EI) and International Electrotechnical Commission (IEC) standards, ensuring quality and safety .

Considerations for Selection

Voltage Rating: Choose a manufacturer that can provide DBs suitable for your project's voltage requirements (low, medium, or high voltage).

Compliance: Ensure products meet Myanmar Electrical Inspection (EI) and IEC standards.
