

Niger explosion-proof distribution box installation manufacturer

AI Overview

Several certified suppliers and manufacturers provide explosion-proof distribution boxes and installation services in Niger, including MAM, Inatex, and Atex Delvalle. Key Suppliers and Manufacturers

1. MAM – Ex Electrical Equipment MAM specializes in explosion-proof electrical equipment for hazardous industrial environments, including Ex control panels, junction boxes, lighting systems, cable glands, enclosures, and distribution systems. Their products are ATEX and IECEx certified, designed to prevent ignition in explosive atmospheres, and suitable for industries such as oil & gas, petrochemical, mining, and chemical processing. MAM supports OEM projects, EPC contractors, and system integrators, offering custom-engineered solutions for installation and integration in hazardous areas.
2. Inatex – HRMD92 Explosion-Proof Distribution Box Inatex offers the HRMD92 distribution box made of 316 stainless steel, featuring a specialized hinge structure to protect flameproof joints. These boxes can be combined and installed freely, allowing flexible layouts for various distribution systems. Inatex provides options for built-in components and customization according to client requirements, making them suitable for industrial installations in hazardous zones.
3. Atex Delvalle – Local Control Stations & Distribution Boxes Atex Delvalle manufactures custom-made explosion-proof local control stations and distribution boxes in AISI 304L or 316L stainless steel. Their products are ATEX and IECEx certified, designed for Zone 1, 2, 21, and 22 hazardous areas. They offer flexible configurations, including push buttons, switches, meters, and control elements, with robust designs for extreme temperatures and outdoor conditions. Atex Delvalle also provides installation support and integration services for industrial projects.

Features to Consider Material: Stainless steel (316L) or alumin...
