

# Ordering Ukrainian Tray-Type Cable Trays

## AI Overview

Ukrainian tray-type cable trays, including perforated and galvanized options, are available from multiple manufacturers and suppliers for both retail and wholesale orders. Suppliers and Manufacturers Brilltech Engineers Pvt. Ltd. offers high-quality cable trays in Ukraine, including galvanized steel, stainless steel, and fiberglass options. Their trays are designed for durability, safety, and efficient cable management, with features like enhanced airflow, easy installation, and protection against environmental hazards. Local Ukrainian suppliers such as Elvis.com.ua provide metal tray options like the BAKS KCD/KCOD100H60/3 perforated galvanized tray (100x60 mm, 1.2 mm thickness, 3 m length) and other sizes suitable for cable routing. These trays can be connected using standard methods and are priced per unit. Wholesale options are available through platforms like go4WorldBusiness, which connect buyers with Ukrainian trough cable tray manufacturers for bulk purchases at competitive prices. Industry-Ukraine manufactures galvanized cable trays with solid or perforated designs, including lids, corners, connectors, and brackets. Their trays are made from cold-rolled steel, hot-galvanized, and comply with local climatic and electrical installation standards, providing fire resistance and structural rigidity.

**Ordering Considerations**

**Material:** Choose between galvanized steel, stainless steel, or fiberglass depending on environmental conditions and load requirements.

**Size and Type:** Standard tray widths range from 40 mm to 100 mm, with lengths typically 3 meters. Perforated trays improve airflow and cooling.

**Accessories:** Ensure availability of connectors, corners, lids, and mounting brackets for complete installation.

**Compliance:** Verify that trays meet Ukrainian electrical installation standards (e.g., RB-6) and fire safety requirements.

**Bulk vs Retail:** Wholesale platforms allow bulk orders for large projects, while local suppliers provide smaller quantities for immediate needs.

**How to Order** Contact suppliers directly via their we...
