

PZ30 Distribution Box Size Selection

AI Overview

The PZ30 distribution box is a modular low-voltage electrical enclosure available in 2-36 ways, suitable for single-phase and three-phase circuits up to 500V and 100A.

Key Features

- Material Construction:** Made from durable ABS plastic for indoor versions or 1.0mm high-quality steel plate for metal variants, with flame-retardant and impact-resistant properties for safety and longevity.
- Mounting Options:** Available in surface-mount and flush-mount configurations, allowing installation on walls or inside cabinets.
- Cover:** Transparent plastic cover for easy visual inspection of circuit breakers without opening the box.
- DIN Rail Compatibility:** Standard internal DIN rails for mounting MCBs, RCDs, and other modular components.
- Safety Features:** Provides protection against accidental contact, dust, minor mechanical damage, and supports overload, leakage, and short-circuit protection.
- Electrical Specifications**
 - Rated Voltage:** Up to 500V for single-phase and three-phase circuits.
 - Rated Current:** Maximum 100A.
 - Frequency:** 50Hz.
- Applications:** Power and lighting distribution, motor control, residential, commercial, and light industrial installations.
- Size and Configuration**
 - Ways/Slots:** Available in multiple configurations: 2, 4, 6, 8, 10, 12, 16, 20, 24, 32, and 36-way options for modular flexibility.
 - Standard Sizes:** Some manufacturers provide specific sizes such as 8-bit, 10-bit, 13-bit, 16-bit, 20-bit, and 23-bit, with one bit per single-level switch.
- Cable Entry/Exit:** Pre-punched knockouts on top and bottom for convenient wiring.
- Additional Features**
 - Aesthetic and Functional Design:** Compact, attractive appearance suitable for indoor use in homes, offices, factories, and shopping malls.
 - Compliance:** Meets GB7251.3 and GB17466 standards for low-voltage switchgear and distribution boards.
 - Installation Convenience:** Pre-punched mounting holes, adjustable DIN rails, and self-locking cover design for easy assembly and maintenance.
