

Parameters of Zimbabwe Tray Cable Trays

AI Overview

Cable trays in Zimbabwe are available in various types, materials, and sizes, designed to meet industrial, commercial, and residential electrical installation requirements.

Types of Cable Trays

- Ladder Cable Trays** – Ideal for heavy-duty applications, providing strong support for large cables and allowing good ventilation to prevent heat buildup.
- Perforated Cable Trays** – Feature holes along the tray for ventilation and drainage, suitable for medium loads and environments where cable cooling is important.
- PVC Cable Trays** – Non-metallic, corrosion-resistant trays suitable for chemical or outdoor environments.
- Mild Steel and Stainless Steel Trays** – Provide high mechanical strength and durability, often used in industrial and outdoor installations.
- Galvanized Cable Trays** – Hot-dip galvanized trays offer corrosion resistance and are widely used in harsh climatic conditions.

Material and Construction

- Mild Steel**: Strong, cost-effective, and suitable for indoor installations.
- Stainless Steel**: Corrosion-resistant, ideal for chemical or coastal environments.
- PVC**: Lightweight, non-conductive, and resistant to moisture and chemicals.
- Galvanized Steel**: Provides long-term durability and resistance to rust and corrosion.

Dimensions and Load Capacity

Cable trays are manufactured in various widths and depths to accommodate different cable volumes. Standard widths typically range from 50 mm to 600 mm, with depths from 25 mm to 150 mm, depending on the type and load requirements. Load capacity varies by material and design, with ladder trays supporting heavier cables and perforated trays suitable for moderate loads.

Applications

- Industrial**: Heavy-duty ladder or galvanized trays for power and control cables.
- Commercial**: Perforated or ladder trays for office and building wiring.
- Residential**: PVC or light-duty trays for small-scale electrical installations.
- Outdoor**: Galvanized or stainless steel trays for weather-resistant installations.
