

Portable power distribution box model

AI Overview

Portable power distribution boxes are available in a range of models with power ratings from 20A to 800A, designed for temporary or mobile power applications. Popular Models and Specifications

WESTERN 6506TLSX Temp Power Box
Power Rating: 50A, 125/250V
Features: Durable construction, 6-L5-20 Twistlock outlets, sled base for portability, suitable for temporary power setups.

Lex Products Load Master™ Series
Power Rating: 20–800 Amps, adjustable outputs
Features: Indoor/outdoor use, 1–4 adjustable circuit breakers, compact and stackable design, cULus listed to UL 1640 standards, flexible for changing power requirements.

Walther Electric Portable PDUs
Power Rating: Customizable, supports high-voltage inputs (480/240/208/120V)
Features: Multiple outputs, overcurrent protection, solid rubber enclosure, stackable, compact, portable with top handle, suitable for industrial, entertainment, and temporary job-site power.

Power Temp Systems Power Qube
Power Rating: 100–400 Amps
Features: Stackable, weatherproof enclosures (powder-coated aluminum or molded rubber), compact design, customizable for indoor or outdoor use, engineered for rugged environments.

Leviton The Box™ (PB103-W)
Power Rating: 50A, 125/250V
Features: Six GFCI-protected NEMA 5-20R outlets, one NEMA L6-30R locking outlet, one 50A California Style inlet and one 50A outlet, weatherproof covers, designed for construction sites and entertainment venues.

Key Considerations
Amperage and Voltage: Choose a box that matches your load requirements; options range from 20A to 800A and 120V to 480V.
Portability: Many units feature handles, sled bases, or stackable designs for easy transport.
Safety: Look for overcurrent protection, GFCI outlets, and UL or cULus certifications.
Environment: Weatherproof enclosures are essential for outdoor use, while compact designs are ideal for space-limited applications.
Flexibility: Adjustable circuit breakers and customizable outputs allow adaptation to varying power needs....
