

Price illustration for cable tray elbows

AI Overview

Cable tray elbows are available from around \$1.30 each for standard bulk orders, with prices varying by material, size, and supplier. General Pricing Overview Bulk Pricing: On platforms like Alibaba, cable tray elbows can be purchased in bulk for approximately \$1.30 per piece, with options in galvanized steel and stainless steel suitable for industrial use. Material Variations: Prices vary depending on the material: Galvanized Steel: Economical and widely used for general industrial applications. Stainless Steel: Higher durability and corrosion resistance, typically more expensive than galvanized steel. Aluminum Alloy: Lightweight and corrosion-resistant, often mid-range in price. Fiberglass-Reinforced Plastic (FRP): Used in specialized environments, usually higher cost. Supplier Options JLH Electric: Offers a wide range of cable tray fittings including elbows, tees, crosses, bends, risers, and reducers. They provide custom design and fabrication, which may affect pricing depending on project specifications. Graybar: Provides cable tray fittings with pricing available based on ZIP code, allowing for location-specific quotes and same-day or next-day delivery options. McMaster-Carr: Offers over 850 cable tray products, including elbows, with a variety of sizes and styles. Pricing is typically listed per unit and may vary by material and dimensions. CAD and Design Resources For planning and design purposes, CAD models of cable tray elbows are available in multiple formats (SOLIDWORKS, AutoCAD, STEP, STL, etc.) from suppliers like TraceParts, which can help in estimating material requirements and costs before purchasing. Key Considerations Quantity: Bulk orders significantly reduce per-unit cost. Material and Finish: Stainless steel and FRP are more expensive than galvanized steel or aluminum. Customization: Custom bends or sizes may increase cost. Supplier Location: Shipping and local availability can affect final pricing. For precise pricing, it is recommended to request quotes from multiple suppliers based on the specific mate...
