

Price of U-shaped angle iron bracket for cable trays

AI Overview

U-shaped angle iron brackets for cable trays typically range from \$5 to \$50 per piece, depending on material, size, and supplier. Price Overview The cost of U-shaped brackets varies widely based on material (steel, stainless steel, zinc-plated), dimensions, and load capacity. For example, zinc-plated steel brackets for standard cable trays are generally on the lower end of the price spectrum, while heavy-duty stainless steel or seismic-rated brackets can be significantly more expensive. Alibaba offers bulk and industrial-grade U-shaped cable tray brackets, often priced per unit or per set, with discounts for larger orders. Amazon lists smaller quantities suitable for DIY or small-scale installations, with prices typically starting around \$5-\$15 per bracket. McMaster-Carr provides high-quality, corrosion-resistant U-brackets with material certification, often in the \$10-\$50 range, depending on size and load rating. RS Components and IndiaMART offer a variety of cable tray support brackets, including U-brackets, with prices influenced by local supply and shipping costs. Factors Affecting Price Material: Stainless steel > galvanized steel > plain iron. Size and Load Capacity: Larger brackets or those rated for heavy cable trays cost more. Quantity: Bulk orders reduce per-unit cost. Supplier Location: Domestic suppliers may have higher prices but faster delivery; international suppliers may offer lower prices but with shipping fees. Recommendations For industrial installations, consider sourcing from Alibaba or McMaster-Carr for certified, heavy-duty brackets. For smaller projects or DIY, Amazon or RS Components provide convenient options. Always check load ratings and corrosion resistance to ensure safety and longevity of the cable tray system. By comparing suppliers and considering material and size requirements, you can select a U-shaped angle iron bracket that balances cost and performance for yo...
