

Price of ladder-style steel cable trays

AI Overview

Steel ladder cable trays are currently available starting from ₹90 per meter in India, with stainless steel options for industrial use priced higher depending on specifications. Current Pricing in India JP Electrical And Controls and Global Manufacturers And Traders offer ladder cable trays starting at ₹90 per meter. Parmar Metals Private Limited lists prices starting at ₹98 per meter. Buyers can contact suppliers directly for bulk order discounts, delivery options, and updated pricing as rates may vary with quantity and material grade. Stainless Steel Ladder Cable Trays Stainless steel trays are designed for heavy-duty applications, offering corrosion resistance, heat resistance, and long-term durability. These trays are suitable for industrial environments such as power plants, manufacturing units, petrochemical plants, and commercial buildings. Prices for stainless steel ladder trays vary based on size, load capacity, and surface finish, and are generally higher than standard steel trays due to material and manufacturing quality. Supplier Options RS PRO, Cablofil International, Legrand, and StarTech.com provide a range of steel and stainless steel ladder cable trays with various finishes including electrogalvanized, hot-dip galvanized, and 304/316 stainless steel. McMaster-Carr offers same-day or next-day delivery for ladder cable trays, including heavy-duty and open designs suitable for industrial and commercial use. Key Considerations Material: Choose between standard steel, galvanized steel, or stainless steel depending on environmental conditions. Load Capacity: Ensure the tray supports the weight of cables and any additional mechanical systems. Dimensions: Heights, widths, and lengths vary; select based on cable volume and installation space. Maintenance Access: Ladder design allows easy access for cable installation and maintenance. For the most accurate and up-to-date pricing, it is recommended to contact suppliers directly, as prices can fluctuate based on material, quantity, and delivery location.
