

Price of ladder-type cable trays in Kaiyuan

AI Overview

The cost of a ladder-type cable tray in Kaiyuan typically ranges from \$2 to \$25 per meter, depending on material, size, and surface treatment.

Price Overview

Ladder-type cable trays are commonly made from galvanized steel, aluminum, or stainless steel, with hot-dip galvanized (HDG) trays being popular for outdoor or industrial use due to their corrosion resistance. The price per meter varies significantly:

- Pre-Galvanized Steel:** \$2–\$5 per meter, suitable for dry indoor environments.
- Hot-Dip Galvanized Steel (HDG):** \$5–\$15 per meter, ideal for outdoor or factory settings.
- Aluminum:** \$10–\$20 per meter, lightweight and rust-proof, reducing the need for heavy supports.
- Stainless Steel (304/316):** \$20–\$25 per meter, used in highly corrosive or hygienic environments like food plants or coastal areas.

Factors Affecting Cost

- Material and Surface Finish:** HDG and stainless steel are more expensive than pre-galvanized steel due to durability and corrosion resistance.
- Tray Size and Load Capacity:** Wider trays or those designed for heavy-duty cables cost more.
- Fittings and Accessories:** Bends, tees, risers, and supports add to the total cost.
- Installation and Labor:** Skilled labor and local wages in Kaiyuan can influence the final project cost.
- Bulk Orders:** Purchasing in large quantities can reduce the per-meter price.

Practical Estimate

For a standard 2.4-meter hot-dip galvanized ladder tray, the cost is roughly \$12–\$36 per piece, excluding fittings and installation. Aluminum or stainless steel trays will be higher, potentially \$24–\$60 per piece. Local suppliers or distributors in Kaiyuan may offer competitive pricing, especially for bulk orders.

Recommendation

To get the most accurate pricing in Kaiyuan: Contact local electrical supply companies or distributors. Specify the material, width, and load requirements. Include fittings and installation costs in your budget. Consider bulk purchasing to reduce unit cost. This...
