

Qatar Network Distribution Box Wholesale Manufacturer

AI Overview

Key wholesale suppliers of network distribution boxes in Qatar include Microsys Network, Al Mashreq Distribution, and Alsiraj Qatar, offering a wide range of fiber optic and electrical enclosures with customization options. Microsys Network is a leading provider of fiber optic distribution boxes in Qatar, offering capacities from 2 cores up to 72 cores. They supply major brands such as Extell, Techlogiks, Belden, Opterna, Norden, Datacom, Panduit, D-Link, Commscope, Molex, and Corning. Their products include outdoor splitter distribution boxes, FTTH boxes, patch panels, and fiber closures, suitable for FTTx network systems. Microsys also provides customized solutions to meet specific project requirements, combining fiber splicing, splitting, distribution, storage, and cable connection in a single device (Microsys Network). Al Mashreq Distribution W.L.L is a trusted ELV and networking distributor in Qatar, serving contractors, system integrators, and businesses. They offer networking solutions, structured cabling, racks, cabinets, IP enclosures, and data center solutions. With over 500 products and 600+ customers, they provide professional support, technical guidance, and project-specific solutions. Their showroom in Barwa Village, Doha allows direct consultation for bulk orders and integration services (Al Mashreq Distribution). Alsiraj Qatar specializes in wall-mounted distribution boxes and electrical enclosures. Their products are made from PC/ABS materials, offering IP54 protection (IP67 on request), high impact resistance, thermal stability, and chemical resistance. They provide customizable configurations, including horizontal or vertical arrangements, and are suitable for industrial, commercial, and residential applications. Their DELTA, STROBL, and ANIF series allow tailored solutions for large-scale installations (Alsiraj Qatar). Additional...
