

Qatar residential electrical distribution box manufacturer

AI Overview

Key manufacturers and suppliers of electrical distribution boxes in Qatar include Alsiraj Qatar, Bushtorm, Electra, and Malik Electrical, offering a range of industrial, commercial, and specialized distribution solutions. Leading Manufacturers and Suppliers

Alsiraj Qatar provides a variety of wall-mounted distribution boxes suitable for indoor and outdoor applications. Their DELTA series features high-quality PC/ABS enclosures with excellent impact resistance, thermal stability, dielectric strength, and chemical resistance, making them suitable for industrial, commercial, and household applications.

Bushtorm is a trusted manufacturer and supplier of power distribution panels and distribution boards in Qatar and Doha. Their products, such as the HRMD91 Copper-Free Aluminium Alloy Distribution Panel, are designed for durability, flameproof operation, and compliance with hazardous zone standards (Zones 1, 2, 18, and 22), making them ideal for industrial environments.

Electra specializes in distribution point boxes made from self-extinguishing polystyrene, offering corrosion-free, high-impact resistance, and maintenance-free solutions. Their products are designed for indoor applications with IP30 protection and UL 94V-0 flammability class.

Malik Electrical also supplies a range of distribution boxes and panels across Qatar, catering to both commercial and industrial needs.

Additional Electrical Distribution Companies

Other notable companies involved in electrical distribution in Qatar include Max. QPC W.L.L., QSP, Primepower Middle East, and Binghalib Engineering, which provide services ranging from installation and maintenance of distribution networks to low-voltage switchgears and modular power systems. These companies often offer customized solutions for industrial, commercial, and residential projects.

Considerations for Selection

When choosing a manufacturer or supplier in Q...
