

Qatar specializes in the production of cable trays

AI Overview

Qatar is a leading hub for the production of high-quality cable trays and cable management systems, serving industrial, commercial, and energy sectors. Key Manufacturers Altura Industries is one of Qatar's prominent cable tray manufacturers, offering a wide range of cable ladders, trunking, and wire basket systems designed for smooth cable installation and durability in harsh environments such as petrochemical and marine industries . TransDelta International Industries L.L.C manufactures all types of cable management systems under the Delta brand, including cable trays, ladders, and trunking. Their products are ISO-certified and widely used in prestigious projects across Qatar and the GCC, emphasizing quality, safety, and compliance with international standards . Advance Line Cable Management System L.L.C produces cable trays, ladders, basket trays, strut channels, and GI switch boxes. Their products comply with British standards and are ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified, ensuring high performance and safety for industrial and commercial applications . Qatar Technical provides cable support systems including solid and perforated cable trays, trunking, and ladders, using pre-galvanized steel and offering flexible installation options for both industrial and building construction projects . Wibe Group specializes in GRP cable trays and accessories, focusing on the oil & gas, marine, power generation, and construction industries. Their products are ISO 9001:2015 certified, highlighting Qatar's commitment to quality in cable management solutions . Industry Applications Cable trays produced in Qatar are widely used in: Industrial facilities for heavy cabling and long-span installations Construction projects for commercial and residential electrical systems Oil & gas and marine sectors where corrosion-resistant...
