

Recommended Manufacturers of Molded Cable Trays

AI Overview

Atkore International, Legrand, Snake Tray, and Shandong Tianhong are among the leading manufacturers of molded cable trays globally. Leading Global Manufacturers Atkore International is a prominent global manufacturer offering a wide range of cable tray systems, including molded and roll-formed trays, designed for construction and renovation projects across multiple industries, with a strong reputation for quality and reliability. Legrand (France) produces the Cablofil brand of wire mesh and molded cable trays, known for easy installation, adaptability, and compliance with international standards, making it a preferred choice for industrial and commercial applications. Snake Tray (USA) specializes in molded cable trays and cost-effective cable management systems for data centers, solar installations, and transit projects, emphasizing innovative designs and timely availability. Shandong Tianhong Electric Power Technology Co., Ltd. (China) offers a comprehensive range of molded cable trays, including perforated trays, cable ladders, and trunking systems. They provide OEM and ODM services, supporting customized solutions for industrial, commercial, and infrastructure projects. Other Notable Manufacturers Chalfant Manufacturing (USA) – Offers innovative molded cable trays like the GR_Magic and RKS-Magic lines, with over 70 years of experience in tailored solutions. PT Trias Indra Saputra (Indonesia) – Known for reliable cable tray systems suitable for indoor and outdoor applications. Sunil Engineering Corporation (India) – Produces perforated and ladder cable trays with customized fabrication options. ELCON CABLE TRAYS PVT. LTD. (India) – Specializes in wire mesh, ladder, and perforated molded trays with a broad accessory range. Key Considerations When selecting a molded cable tray manufacturer, consider: Material and durability: FRP, fiberglass, or powder-coated st...
