

Recommended manufacturers of fireproof cable trays in Jordan

AI Overview

Top recommended manufacturers of fireproof cable trays in Jordan include MASEICO, Brilltech Engineers, Munir Al Ali & Sons, and Davos for Electrical Systems & Supplies. MASEICO (Al Masoudia Electrical Industries Co. Ltd.) is a leading Jordanian manufacturer of cable trays, ladders, and supporting materials. Their products are designed according to international standards and are suitable for industrial, petrochemical, power, oil, and gas projects. MASEICO offers fire-resistant cable trays and has passed conformity tests for large-scale projects. Their factory is located in Amman, facilitating easy access for local and regional projects. Brilltech Engineers provides high-quality cable trays in Jordan, including perforated, ladder, and galvanized steel trays. Their products are designed to protect cables from physical damage, dust, and environmental hazards, enhancing safety and airflow. Brilltech emphasizes compliance with industry standards and offers customization, installation support, and system design assistance. They are recognized for supplying durable, fire-resistant cable trays suitable for commercial and industrial applications. Munir Al Ali & Sons specializes in cable management systems, including the supply and installation of low and medium voltage cables, fireproof cable trays, and electrical network solutions. They also provide installation services for hazard area lighting, fire alarm systems, and renewable energy systems, making them a comprehensive provider for projects requiring fire-resistant cable infrastructure. Davos for Electrical Systems & Supplies partners with international manufacturers to supply full cable management systems, including fireproof cable trays. They offer solutions for data centers, industrial facilities, and commercial buildings, with products adhering to IS...
