

Recommended manufacturers of trough-type cable trays in Shifang

AI Overview

Shifang and nearby regions in China have several reliable manufacturers of trough-type cable trays offering customizable, high-quality solutions for industrial and commercial applications. Leading Manufacturers and Capabilities

Shandong Hongfeng Import and Export Co., Ltd. This company is one of the largest cable tray manufacturers in China, producing a wide range of products including trough cable trays, wire mesh trays, trapezoidal trays, and composite trays. They offer customization based on customer requirements and use materials such as stainless steel, aluminum, copper, and fiberglass. Their facilities cover 65,000 square meters, and they hold certifications like ISO 9001, SGS, and CE, ensuring quality and compliance for industrial projects.

ACE Electric ACE Electric specializes in trough cable trays and provides customized solutions for sensitive systems like computer, communication, thermocouple, and control cables. Their manufacturing process includes hot-dip galvanizing to prevent rust and enhance durability. They also supply related components such as junction trays, bus ducts, and hangers, making them a comprehensive provider for cable management systems.

Tianhong Cable Tray (Shandong Tianhong Electric Power Technology Co., Ltd.) Founded in 2006, Tianhong offers perforated trays, cable ladders, trunking, strut channels, and fittings, with a focus on OEM and ODM services. Their automated production lines ensure stable quality and fast delivery, and they cater to diverse applications including power plants, data centers, and commercial buildings. Their products feature excellent ventilation, heat dissipation, and corrosion resistance, suitable for long cable runs and industrial environments.
