

Sales of industrial switch manufacturers

Overview

Legrand, Siemens, Simon and ABB captured the top four revenue share spots in the electrical switches market. These electric switch companies can design. Find your industrial switch easily amongst the 171 products from the leading brands (BANNER, ELMA, NXP.) on DirectIndustry, the industry specialist for your professional purchases. Mechanical switches account for nearly 41% of global demand, while electronic and smart switches contribute around 36%, supported by rising automation adoption. Approximately 28% of expansion is driven by increasing applications across industrial machinery, consumer electronics, and smart. Industrial switch, also known as industrial Ethernet switch, is a high-reliability and cost-effective Ethernet switch device designed to be applied in harsh industrial environments subject to shocks, vibrations and extreme temperature fluctuations from -40°C to 75°C generally, so you'll find that. According to our (Global Info Research) latest study, the global Industrial Switch market size was valued at US\$ million in 2024 and is forecast to a readjusted size of USD million by 2031 with a CAGR of %during review period.
