

Singapore Fireproof Cable Tray Brands

AI Overview

Ferrotech, SMARTr International, and Voltecx are leading local manufacturers of fireproof and high-quality cable tray systems in Singapore. Key Local Manufacturers

- 1. Ferrotech** Ferrotech specializes in FRP (fiberglass reinforced plastic) cable tray systems that are fire-retardant and highly durable. Their trays are manufactured from premium fire-retardant resins and reinforced with fiberglass, offering Class 1 fire rating according to ASTM E84. They are ideal for harsh environments such as chemical plants, refineries, and marine applications due to their corrosion resistance, UV resistance, and non-conductive properties. Ferrotech provides options in Isophthalic Polyester (IFR) and Vinyl Ester resins, catering to different levels of fire safety and chemical resistance.
- 2. SMARTr International** SMARTr International is a Singapore-based manufacturer with over 30 years of experience in electrical cable containment and support systems. They produce cable trays, trunking, flexible conduits, and stainless steel containment systems that comply with BS EN, UL, and IEC standards. Their products are widely used in industrial, commercial, and data center projects, ensuring both fire safety and structural reliability.
- 3. Voltecx** Voltecx, under Takaso Industries Singapore, manufactures premium cable trays, ladders, trunkings, and conduits. Their solutions are designed for high-performance construction and infrastructure projects, offering fire-resistant and durable cable management systems. Voltecx emphasizes innovative design and compliance with industry standards, making them suitable for diverse applications in Singapore.

.Additional Options Other notable suppliers include United U-Li Projects Pte Ltd, which provides a wide range of cable trays and assembly systems for industrial projects, and Foresight Metal Engineering Pte Ltd, specializing in metal cable trays and ladders with customization options for commercial and industrial needs.

Considerations When Choosing a Manufacturer Fire Safety Certification: Ensure the trays meet local and in...
