

Sri Lanka Cable Tray Direct Sales

AI Overview

Sri Lanka has several reputable cable tray manufacturers and suppliers offering direct sales, including Bianco, C&D Electrical, Magline, and Kiash Electricals. Local Manufacturers and Suppliers Bianco is a trusted manufacturer in Sri Lanka, offering cable trays in mild steel, stainless steel, and aluminum suitable for both indoor and outdoor applications, with corrosion-resistant designs for industrial and commercial projects. C&D Electrical provides a wide range of durable and flexible cable trays, with customization options for size and material to meet specific project requirements in sectors like power generation, telecommunications, and construction. Magline specializes in slotted cable trays, which allow easy attachment of accessories and flexible routing, ideal for industrial plants, data centers, and telecom infrastructure. Kiash Electricals, although based in Kolkata, India, supplies high-quality cable trays directly to Sri Lanka. Their products are designed for heavy-duty support, neat organization, and easy installation, suitable for commercial buildings, industrial plants, and power facilities. Eastlink.lk offers a variety of cable trays and accessories, including electro-galvanized, hot-dip galvanized, steel, aluzinc, and aluminum alloy options, engineered for safe and organized cable distribution in all environments. Trade Platforms and Global Suppliers Trademo provides a platform to discover global cable tray manufacturers and suppliers with shipment details, trade volumes, and contacts for direct sales to Sri Lanka. This is useful for sourcing international suppliers and comparing options. Key Considerations for Direct Purchase Material and Load Capacity: Choose trays based on the environment (indoor/outdoor) and weight of cables. Customization: Many suppliers offer custom sizes, slotted designs, and corrosion-resistant coatings. Shipping and Delivery: Confirm that the manufacturer can handle direct shipping to Sri Lanka and provide necessary import documentation. Compliance and Standards: Ensure products meet...
