

# Supply of electrical distribution boxes from Malaysian manufacturers

## AI Overview

Some notable manufacturers of electrical distribution boxes in Malaysia include IEP Marechal Electric, Powerwell Group, Tenaga Cable Industries, BPE Energy, ETD Transmission & Distribution, and LSE Metal. Key Manufacturers IEP Marechal Electric offers a wide range of distribution boxes for industrial applications, including modular enclosures, fuse, RCD, and ELCB protection systems. Their products are designed for challenging environments such as tunnels and high-current applications, emphasizing safety and maintenance efficiency. Powerwell Group specializes in low-voltage and medium-voltage switchgear and distribution boards. With over 25 years of experience, they provide customized solutions and are recognized as a leading switchboard manufacturer in Malaysia. Tenaga Cable Industries Sdn Bhd (TCI) manufactures and distributes power cables and related electrical distribution products, including low and medium-voltage insulated cables, supporting industrial and commercial applications. BPE Energy Sdn Bhd focuses on electrical systems and maintenance services, including replacement of obsolete electrical panels and submarine cable solutions for offshore power supply, highlighting their expertise in specialized electrical distribution. ETD Transmission & Distribution Sdn Bhd provides advanced substation control and automation systems, enhancing monitoring, measurement, and communication within electrical networks, and adheres to IEC61850 standards. LSE Metal (Sin Lien Siong Electric) manufactures a variety of industrial and electrical hardware products, including distribution and metal boxes, brackets, and other electrical enclosures suitable for commercial and industrial use. Additional Suppliers Other suppliers in Malaysia include WFPO, which produces wall-mount fiber distribution boxes for telecommunication applications, and INDKOM En...
