

Tajikistan Explosion-proof Lighting Distribution Box Manufacturer

AI Overview

Tajikistan has multiple suppliers and manufacturers of explosion-proof lighting distribution boxes suitable for hazardous industrial environments. Local and Regional Suppliers You can find 31 suppliers in Tajikistan offering explosion-proof distribution boxes through B2B marketplaces, allowing direct contact with manufacturers and wholesalers for industrial procurement. These suppliers provide products designed for IIA, IIB, and IIC explosive gas environments, suitable for flammable and explosive sites across industries such as petroleum, chemical, metallurgy, power, and aviation.

Product Features and Applications Explosion-proof lighting distribution boxes in this region typically offer: Durable, shock-resistant construction for harsh industrial conditions Compatibility with three-phase four-wire AC systems (220V/380V) and automatic detection systems Energy-efficient and environmentally friendly designs with multiple models and styles Applications in oil refining, chemical processing, metallurgy, pharmaceuticals, light industry, and offshore platforms These boxes provide safe installation spaces for on-line analyzers, control systems, and electrical distribution in hazardous areas.

International Manufacturers Serving Tajikistan Several global manufacturers supply certified explosion-proof electrical equipment to Tajikistan, including:

- MAM Ex Electrical Equipment:** Offers ATEX and IECEx certified Ex control panels, junction boxes, lighting systems, cable glands, and distribution systems for oil & gas, petrochemical, marine, mining, and pharmaceutical industries.
- Ex-PROTECTA:** Established in 1979, provides explosion-proof and flameproof lighting distribution boards, control panels, junction boxes, and accessories, trusted for compliance with stringent safety standards.
- Ouhui Lighting:** Produces explosion-proof electric boxes suitable for IIA, IIB, IIC gas environments, widely used in industrial an...
