

Tunisian fiberglass cable tray supplier

AI Overview

Brilltech Engineers Pvt. Ltd. and EFG Composites are leading suppliers of fiberglass cable trays in Tunisia, offering durable, corrosion-resistant, and customizable solutions. Key Manufacturers and Suppliers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent cable tray manufacturer and supplier in Tunisia, offering fiberglass, galvanized steel, and stainless steel trays. Their fiberglass cable trays are designed for durability, corrosion resistance, and compliance with industry standards, making them suitable for industrial, commercial, and construction applications. They provide customized solutions, installation support, and system design assistance, ensuring optimal cable management and safety. Brilltech also exports their products internationally and offers a range of sizes and styles to fit various project requirements (Web results).
2. EFG Composites EFG Composites specializes in fiberglass (FRP/GRP) cable trays, including ladder and perforated types. Their trays are made from pultruded fiberglass sections with polyester or vinylester resins, incorporating UV stabilizers and surfacing veils for resistance to corrosive environments. EFG provides a wide range of accessories and fittings such as bends, tees, reducers, and coupler plates. Their products are suitable for power plants, refineries, laboratories, and other industrial applications, offering high load capacity, durability, and cost efficiency over the life of the installation (Web result).

Advantages of Fiberglass Cable Trays

- Corrosion and chemical resistance:** Ideal for harsh environments where metal trays may corrode.
- Non-conductive:** Safe for electrical applications, preventing electrical hazards.
- Lightweight and durable:** Easier to install and maintain compared to metal trays.
- Customizable:** Available in various widths, thicknesses, and configurations to meet project-specific needs.
- Long lifespan:** Resistant to environmental damage, reducing replacement and maintenance costs (Web results).

Applications

Fiberglass cable trays are widely used in industrial plants...
