

UAE fiber optic KVM manufacturer

AI Overview

Key UAE providers of fiber optic KVM solutions include Omnio Technologies, Naficon, and KVM AI Arabia, offering high-performance KVM switches, extenders, and fiber connectivity products. Omnio Technologies, established in 2001, is a leading distributor and provider of KVM switches, extenders, and A/V products in Abu Dhabi and Dubai. They offer fiber optic KVM extenders such as the ADDERLink XD641P-DP and XD642P-DP, supporting 4K@60 DisplayPort with USB2.0 and audio over fiber or CATx cables. Their solutions cater to broadcast, air traffic control, oil & gas, defense, finance, and industrial automation sectors, providing scalable, modular setups with multi-screen layouts and IP-based management options (Omnio Technologies). Naficon Fiber Optic Manufacturing LLC, based in Dubai, is part of the Finnish parent company Naficon Liitin Oy. They specialize in fiber optic manufacturing and supply, serving telecom, data centers, and utility sectors. While primarily a fiber optic cable manufacturer, Naficon also supports high-quality fiber connectivity solutions suitable for KVM extenders and data center applications. They are ISO9001 certified and have a strong presence in the Middle East market (Naficon). KVM AI Arabia, headquartered in Abu Dhabi, provides KVM switches, extenders, and server management solutions across the Middle East. They are authorized distributors for top KVM brands and offer fiber-based KVM solutions for enterprise-grade IP KVM, broadcast, and industrial control applications. Their services include design, implementation, and after-sales support, making them a reliable partner for large-scale deployments (KVM AI Arabia). Additional UAE Fiber Optic Manufacturers Other notable UAE-based fiber optic manufacturers and suppliers include Norden Communication, HELUKABEL, Superior Technologies, GEC, and DME ProLink, which provide fiber optic cables and connectivity solutions compatible with KVM extenders and high-speed data networks (Gcabling). Summary For fiber optic K...
