

US Huijue Fiber Optic Cable

AI Overview

Huijue Network exports a wide range of fiber optic cables and telecom solutions to the United States, including single-mode, multi-mode, and high-density fiber products. Company Overview Huijue Network, officially Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network), is a leading manufacturer of telecom and communication products founded in 2001. The company operates a headquarters in Shanghai with R&D, technical, and prototype departments, and a large production facility in Jiangsu province for metal precision parts, cabinet assembly, and optical fiber products. Huijue Network has been exporting its products to Europe, North America, Southeast Asia, and other regions. Product Range Huijue offers a comprehensive portfolio of fiber optic solutions suitable for US telecom and data network applications: Optical Fiber Cables: Indoor and outdoor fiber cables, flexible cables, butterfly drop cables, and remote optical cables, supporting G.652 and G.657a2 standards. Fiber Connectors and Patch Cords: Single-mode and multi-mode connectors, optical patch cords, and high-density MTP/MPO connectors for 8 to 288 fiber strands. Optical Splitters and Couplers: PLC splitters, fused couplers, blade-type, box-type, and rack-type splitters for network distribution. Telecom Cabinets and Enclosures: Metal cabinets and integrated solutions for fiber management and network deployment. Adapters and Accessories: Fiber optic flanges, adapters, and other components for network integration. Applications in the US Huijue's fiber optic products are suitable for a variety of telecom, data center, and enterprise network applications in the United States. Their high-density fiber solutions and patch cords are commonly used in: Data centers and server rooms Enterprise LAN/WAN networks Telecom infrastructure and fiber-to-the-home (FTTH) deployments Network testing and maintenance setups Availability While Huijue Network is based in China, its products are exported to North America, and US companies can source Huijue fiber...
