

Uruguayan Fireproof Cable Tray Brands

AI Overview

Brilltech Engineers, Cable House, and Jeetmull Jaichandlall are notable manufacturers of fire-resistant cable trays in Uruguay. Key Manufacturers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers offers a wide range of cable trays in Uruguay, including fiberglass, stainless steel, and galvanized steel trays, which are suitable for fire-resistant applications. Their trays are designed to protect cables from physical damage, environmental hazards, and overheating, ensuring compliance with safety standards. They also provide installation support, system design assistance, and customized solutions for industrial and commercial projects.
2. Cable House Established in 1983, Cable House manufactures and supplies cable trays in Uruguay with a focus on high durability and reliable performance. They offer customized solutions and use materials that can withstand high temperatures, making them suitable for fireproof installations. Their products are recognized for long service life and adherence to quality standards.
3. Jeetmull Jaichandlall (P) Ltd. This manufacturer provides cable trays in various sizes, shapes, and materials, including sturdy wire mesh and metal trays that resist deformation and heavy loads. Their trays are designed to endure harsh conditions, including fire exposure, and are tailored to meet industry-specific requirements.

Materials and Fire Resistance

- Fiberglass:** Non-conductive, corrosion-resistant, and highly fire-resistant, ideal for industrial environments.
- Stainless Steel:** Offers excellent heat resistance and structural integrity under fire conditions.
- Galvanized Steel:** Provides durability and moderate fire resistance, suitable for general industrial use.

Considerations for Selection

- Ensure the manufacturer provides fire-rated certifications or compliance with local fire safety standards.
- Evaluate customization options for tray size, perforation, and load capacity.
- Consider installation support and after-sales service, especially for large-scale projects.
