

Where are the optical cable factories in France

AI Overview

France hosts several key optical cable manufacturers, including Nexans, IDIL Fibres Optiques, LUXERI, and Centre Fibre Optique, with factories and production facilities spread across multiple regions.

Major Manufacturers and Locations

- Nexans:** A global leader in cable manufacturing, Nexans operates multiple plants in France, producing fiber optic and other types of cables. Their French facilities are part of a network of over 60 plants worldwide, serving both domestic and international markets.
- IDIL Fibres Optiques:** Based in Brittany, this company specializes in the design, development, and manufacturing of fiber optic and laser technologies. It is recognized as a French leader in optical fiber production.
- LUXERI:** Located in France, LUXERI focuses on custom manufacturing of fiber optic lighting solutions, optical guides, and optical cables for various applications, serving both industrial and commercial needs.
- Centre Fibre Optique:** Situated in the Centre Val-de-Loire region, specifically in Tours, this company manufactures and deploys optical fiber networks, particularly for FTTH (Fiber to the Home) services.
- CAP FIBRE:** Operating in the Nord and Pas-de-Calais regions, CAP FIBRE specializes in high-speed fiber optic network deployment, particularly in rural areas.

Other Suppliers: Additional manufacturers and suppliers can be found through directories such as Europages and GlobalSpec, which list over 40 optical cable producers across France, including smaller specialized firms.

Regional Distribution

Optical cable factories in France are distributed across several regions:

- Brittany:** IDIL Fibres Optiques
- Centre Val-de-Loire:** Centre Fibre Optique (Tours)
- Nord and Pas-de-Calais:** CAP FIBRE

Various industrial hubs: Nexans plants and other smaller manufacturers. These facilities cover a range of activities from fiber optic cable production to network deployment and testing, supporting both domesti...
