

Where to find good electrical cable trays in Ireland

AI Overview

Ireland offers a wide range of cable tray systems, brackets, and accessories from multiple suppliers, suitable for industrial, commercial, and domestic installations. Cable Tray Types and Materials Cable trays in Ireland are available in steel, galvanised steel, stainless steel, and aluminium, with options for medium-duty, light-duty, and heavy-duty applications. Common types include: Ladder trays: Ideal for heavy cables and long spans. Basket trays: Flexible and suitable for complex routing. Wire trays: Lightweight and cost-effective for smaller installations. Solid-bottom trays: Provide extra protection for sensitive cables. Tray widths typically range from 50mm to 600mm, with lengths of 3 meters being standard. Materials like Sendzimir galvanised steel, electrogalvanised steel, and 304/316 stainless steel are widely stocked for indoor, outdoor, and aggressive environments. Accessories and Support Systems To ensure proper installation and compliance, a variety of accessories are available: Brackets and supports: Hilti brackets, Defem stainless steel brackets, and stand-off brackets for medium-duty applications. Return flanges and couplings: For connecting and securing tray sections. Trunking and conduits: PVC, galvanised, and flexible options for routing cables into trays or junctions. Junction boxes, glands, and connectors: IP-rated and suitable for both standard and specialized applications. Suppliers in Ireland Several suppliers provide comprehensive cable tray solutions: Electrical Wholesaler Ireland: Offers a wide range of medium and light-duty trays, brackets, and accessories with competitive pricing. National Electrical Wholesalers (NEW): Stocks steel and PVC trunking, cable ladders, basket trays, and all necessary accessories for industrial and commercial projects. Core Distribution: Provides PVC and aluminium systems, metal cable trays, baskets, and...
