

Which brand of fireproof cable trays is good

AI Overview

Top fireproof cable tray brands include Scandinavian Hub, Delamu, enonci, Cabaley, Zaxideel, and Yecaye, recognized for durability, fire resistance, and ease of installation. Leading Fireproof Cable Tray Brands

Scandinavian Hub – Known for its feature-rich design, this tray is ideal for home offices and commercial setups. It supports installation on paper honeycomb-filled desks and wood surfaces, offering a secure, clutter-free solution with flexible design and easy attachment using screws.

Delamu – Offers premium-feeling materials at an affordable price. The tray comes with cable clips and ties, making it convenient for desk organization and fireproof cable management.

enonci, Cabaley, Zaxideel, Yecaye – These brands provide reliable fireproof trays suitable for daily usage, combining simple, elegant designs with functional durability.

Specialized Industrial Fireproof Cable Tray Manufacturers

For larger-scale or industrial applications, especially where fire resistance and corrosion protection are critical, the following companies are notable:

ALOIS Composites – European manufacturer specializing in fiberglass-reinforced trays for chemical plants, offshore platforms, and power utilities. Their trays are lightweight, strong, and corrosion-resistant.

Oglaend System Group – Global leader in composite cable management, offering trays with high fire retardancy and corrosion resistance for oil & gas, marine, and industrial sectors.

Enduro Composites – North American provider of fiberglass-reinforced trays with excellent dielectric properties and high strength-to-weight ratios, suitable for high-voltage and coastal installations.

Atkore International, Legrand, Grainger – These companies provide heavy-duty, fire-resistant cable trays and infrastructure solutions for commercial and industrial projects, with options for stainless steel and customized designs.
