

Which manufacturers in Morocco sell optical cables

AI Overview

Key manufacturers in Morocco include FBR Cables, FiberCorp, and Nexans Morocco, all offering fiber optic cables and related solutions. FBR Cables is a leading Moroccan manufacturer of high-performance fiber optic cables, serving operators, integrators, and FTTH projects. They produce cables for long-distance, indoor, outdoor, and aerial networks, as well as copper LAN cables from Cat6 to Cat8. Their facilities in Bouskoura and Berrechid feature advanced production technology, with an annual fiber optic cable capacity of 70,000 kilometers, covering nearly 60% of domestic demand. FBR Cables supplies major telecom operators in Morocco, including Orange Maroc, INWI, and Maroc Telecom, and provides local technical support and training. FiberCorp operates as a distributor and reseller in Morocco and West Africa for OFS Optics, a global leader in optical fiber cables and accessories. They provide installation kits, fusion splicers, and training programs for technicians and installers. FiberCorp also maintains a presence in Tangier, supporting both sales and technical services for optical fiber deployment. Nexans Morocco is a major player in the cable industry, active since 1947. While their portfolio spans infrastructure, industry, and building markets, they also supply fiber optic and electrical cables. Nexans supports regional markets in the Maghreb and West Africa, offering turnkey solutions and a network of 10 sales agencies across Morocco. Additional Suppliers Kerix provides a directory of fiber optic network suppliers in Morocco, covering manufacturing, installation, and distribution services in cities such as Casablanca, Marrakech, Rabat, Tangier, and Agadir. This resource can help identify smaller or specialized manufacturers and service providers for optical cabling projects. These companies collectively offer a wide range of fiber...
