

# Zimbabwe Wiring and Distribution Box Manufacturer

## AI Overview

Sitho Electrical Boxes and Enfield Zimbabwe Pvt. Ltd are key manufacturers and suppliers of wiring and distribution boxes in Zimbabwe. Sitho Electrical Boxes, located in Harare, manufactures and supplies both domestic and industrial electrical distribution boxes. They operate in wholesale construction supplies and electronics, providing a range of distribution boards and panelboards suitable for residential and commercial applications. The company can be contacted at 071 634 4847, and more information is available on their website and business listings. They are known for supplying quality electrical boxes and related hardware in Zimbabwe. Enfield Zimbabwe Pvt. Ltd Enfield Zimbabwe (Private) Limited is a wholly Zimbabwean-owned company with over 89 years of experience in supplying power cables, electrical equipment, and structural steel. They provide both domestic and industrial electrical equipment, including distribution boxes, and are recognized for their commitment to quality, innovation, and professional service. Enfield emphasizes customer satisfaction and ethical business practices, making them a reliable partner for electrical infrastructure projects. Purchasing Options For online purchases, DB Boxes (distribution boards or panelboards) are available through Zimbabwean building material suppliers, allowing buyers to order directly online. This provides convenience for both small-scale and large-scale electrical projects. Summary For sourcing wiring and distribution boxes in Zimbabwe, Sitho Electrical Boxes is a specialized manufacturer and supplier in Harare, while Enfield Zimbabwe Pvt. Ltd offers a broader range of electrical equipment and industrial solutions. Both companies are reputable and cater to domestic and industrial needs, with options for online procurement available through local suppliers.
